DELEGATION OF ALLOCATION AUTHORITY
LOCAL ASSISTANCE ALLOCATIONS FOR RSTP/CMAQ MATCH RESERVE PROJECTS
RESOLUTION G-98-25 ALLOCATIONS

BACKGROUND

On October 28, 1998, the California Transportation Commission delegated to the Department authority to allocate funds by Resolution G-98-25 for RSTP/CMAQ Match Reserve projects programmed in the 1998 State Transportation Improvement Program (STIP). This authority allows the local agencies to begin work without waiting for the next CTC meeting to receive an allocation. In December 2000, the Commission extended this delegation of authority under Resolution G-00-32 to apply to the 2000 STIP.

These RSTP/CMAQ Match Reserve projects are included in the adopted STIP. The Department reports allocations on a quarterly basis consistent with Resolution G-98-25.

SUMMARY AND CONCLUSIONS

Pursuant to the authority granted by Resolution G-98-25 and extended by Resolution G-00-32, since the last report the Department made 16 separate allocations totaling \$2,596,000, for 14 RSTP/CMAQ Match Reserve projects. A list of the allocations is attached.
